Popular 4-level split design originally built by Stranville Living in the desirable community of Southbrook! This 4-level split home is only 2 years old and both functional and spacious! Main foyer entry is a good size with closet for your jackets and shoes. Main floor features open plan with vaulted ceilings and laminate flooring for living room, dining room, and kitchen. The kitchen has stainless steel appliances, quartz counters, and a corner pantry. Upper level houses 2 bedrooms and 2 full bathrooms!...including primary bedroom with ensuite that features quartz counters, walk in-shower, and european toilet! Lower level has large rec room with walk-out to backyard, another bedroom, and another full bathroom! Basement is undeveloped but could house a family room, bedroom, and laundry room! Utility room is also in basement, and so are the laundry machines. Out back you have a double detached garage facing the alley! Home is in amazing south side location close to all shopping, restaurants, and amenities!...and is right around the corner from Dr. Robert Plaxton Elementary(K-5) School!
